

The 10th International Conference on Grief and Bereavement in Contemporary Society

EAST MEETS **WEST**

Expanding Frontiers and Diversity

June 11 – 14, 2014 | Hong Kong

Lee Shau Kee Lecture Centre, Centennial Campus

The University of Hong Kong, Hong Kong SAR, China

Every three years, the global leaders in thanatology and experts in various death-related disciplines meet at the ICGB. In June 2014, The Faculty of Social Sciences of The University of Hong Kong and the Social Welfare Department of HKSAR Government will bring the first ICGB Conference to Asia and host this prestigious multicultural and intellectual exchange in Hong Kong. The Conference will provide a platform for knowledge exchange, skill sharing and multidisciplinary collaborations across cultural and geographical boundaries. It will be a focal point of intellectual and academic endeavour for the East and West.

International leading scholars and health care professionals in end-of-life care and bereavement studies have been invited to deliver keynote sessions and plenary discussion sessions to inspire and motivate the conference participants. Field visits to different service agencies including hospices, care and attention homes, funeral services, death education centres and palliative care centres will provide a unique opportunity for participants to explore the local services specialised in areas of death, dying and bereavement.

Innovative social programmes on qigong, tea ceremony, laughter therapy will also be arranged as an integral part of the Chinese culture.

We look forward to seeing you at the Conference!
